Profile

Hi, I'm **Areeba Ramzan** a passionate software and web developer with a strong command over C#, HTML, CSS, JavaScript, Python, and Oracle Database. I specialize in building efficient, scalable, and user-focused digital solutions. With a blend of technical expertise and problem-solving skills, I strive to turn complex challenges into seamless, functional experiences. And I'm always eager to learn more, grow further, and keep exploring new technologies along the way.
